

Title of your paper in full

First Author¹, Second Author², Third Author¹ and Presenting Author^{1,*}

¹Institute, City, Country

²Institute, City, Country

*Corresponding author. Name, Affiliation, Tel: +00 000 0000000, E-mail: author@institution.org

The abstracts must be prepared in A4 format (297x210 mm) with 25 mm margins. The manuscript file must be in an editable format, preferably MS Word 2010-2016 (.docx). **Please do not submit “.pdf” files.** Times New Roman Font shall be used for the entire document. The use of this template for the abstract preparation is strongly encouraged! Please label the file as “First Author Family Name_Short Title”. For example, if the abstract title is **“Dairy Effluent Biodegradation by Endogenous Fungal Isolates in the Integrated Wastewater Treatment System”** by authors **Rajput, R.S., Rajput, M.S. & Singh, S.K.**, please name the file as **“Rajput_Dairy Effluent Biodegradation by Endogenous Fungal Isolates.docx”**. Sequence of authorship can be of your choice however, presenting author must be underlined for submission of abstract.

The title of the contribution should be centred and written in bold script, font size 14 pt. This should be followed by a 12 pt space before the authors' name(s). The name(s) should be centred, written in 12 pt Times New Roman, normal script and given in the following order: given name, (initials) and surname. Author names and affiliations should be linked with corresponding superscript Arabic numerals. After the name(s), there should be a 12 pt space before the affiliation list. Affiliations should be centred, written in 10 pt italic script, and include at least the name of the institute, city and country. The corresponding author should be marked by an asterisk (*). E-mail and telephone number for the corresponding author must be given.

There should be a 24 pt vertical space before the main body of the abstract. The body text should be single spaced and fully justified, in 12 pt, normal script, with paragraphs separated by a 12 pt space. No headings or subheadings should be used in the abstract. We expect all texts to be written in good English and that grammar and spelling have been checked before submission. No figures, tables, equations or references should be included. Abbreviations and acronyms must be clearly defined.

The abstract should be 200 words, and must not exceed one page. The abstract should clearly state the purpose of the work, approach and methodology, significant results, with concise conclusions or recommendations. The main body of the text is to be followed by the keywords, with a 24 pt space between. At least three keywords and a maximum of six keywords must be given. Keywords should be in 12 pt script, italicized, and separated by commas.

Keywords: *dairy effluent, biodegradation, fungal isolates, physiochemical parameters*
